Description

The Vortex DUO combines elegance and versatility in a modern lighting fixture. Featuring a unique dual-cone structure, this pendant light creates a captivating vortex effect, enhancing both form and function. With options for direct and indirect lighting, customizable installation, and available in a range of lumen outputs, the Vortex DUO is adaptable to any space, from residential to commercial. Its high-quality PVD-coated or frosted glass diffusers offer a soft, inviting glow in 3000K or 4000K, delivering performance with style.
